

1st June 2010

INTRODUCING SSE TELECOMS...

Neos Networks brand changes to SSE Telecoms from 1st June 2010

This change in brand is part of a group wide move towards a consistent approach across all SSE's businesses.

As part of a FTSE 30 company and one of the UK's leading utility companies, SSE Telecoms benefits from financial stability, capital investment and a combined workforce of over 20,000 employees.

There is no change to either the company name or its ownership and all existing contracts with Neos Networks remain unaffected.

Email addresses are now firstname.surname@sse.com.
